CLARIFICATION OF MISSING PARTS REQUEST FOR USPTO # 10/047080

The attached copy of the missing parts request for the above referenced patent application conflicts with the funds and letter that were sent to the PTO on June 14, 2002. The drawings and Abstract are included as requested. The enclosed copy of the post card that I received from the PTO shows that the PTO did receive the package as indicated by the stamp of the PTO on the back of the card. Please explain why additional funds are now required.

Sincerely,

John Babcock, Inventor
